

## **The Discovery House to Sponsor Lawyer Continuing Education Workshop**

*California treatment center to provide education resources for attorneys and professionals*

RESEDA, CA ([PRWEB](#)) April 07, 2014 -- The Discovery House is pleased to announce its upcoming continuing education workshop. The workshop provides continuing education credits to attorneys and professionals that work with individuals affected by drug and alcohol addiction and those that may struggle with addiction themselves.

The MCLE Lawyer Continuing Education Workshop will take place Thursday, April 17, 2014. The event will begin at 12:30 p.m., and will be held at Discovery Transitions, Van Nuys, California. The workshop is entitled "Substance Abuse in the Legal Profession." It will address issues that attorneys may encounter when working with clients that are facing charges related to drug and alcohol addiction, as well as helping those in the legal field find help for their own substance abuse.

Levon Kevorkian, a Family Law Attorney from Pasadena, CA will be the speaker at the MCLE Workshop. Kevorkian will cover the legal ethical issues that arise when dealing with attorneys who may have substance abuse problems, recognizing the signs and symptoms of substance abuse, and a brief history of substance abuse in the United States.

The workshop is free, and food and refreshments will be served. To learn more about the workshop or to register, contact Manuel Durazo, (818) 518-0430, or visit: [www.events.thediscoveryhouse.com](http://www.events.thediscoveryhouse.com)

Tom Whiting, Founder of The Discovery House, is happy that the treatment center has the opportunity to work with so many professionals in the community. "We believe in the power of collaboration. It is important for us to work with other professionals, including those in the legal field, to provide help to those struggling with drug and alcohol addiction. Addiction can affect individuals from all walks of life, and we want to be a resource that attorneys and other professionals can make use of when the need arises."

The Discovery House, located in the San Fernando Valley, is an Accredited Drug and Alcohol Treatment Home. The treatment center provides clients with individualized treatment plans that are designed to meet their specific needs. Its caring, professional staff is dedicated to using proven techniques to help clients overcome their addiction and achieve sustained recovery.

Millennium Laboratories is a sponsor of the workshop. Millennium Laboratories, a leader in the science of toxicology and pharmacogenetics, is transforming the way health care professionals monitor and manage their patients' medication therapy. Millennium Laboratories provides health care professionals with pharmacogenetic testing, medication monitoring and drug detection services.

The Discovery House is a State of California Bar approved MCLE Provider.
