The Discovery House Donates New Storage Sheds to *Bertrand Elementary*

FOR IMMEDIATE RELEASE

LOS ANGELES, CA, JANUARY 25TH, 2017

The Discovery House is pleased to announce a \$6,000 donation to upgragading Bertrand Elementary School's storage bins. Newly appointed principal, Sylvia Guzman, accepted the donation on behalf of the school.

The new storage bins will be replacing the ten-year old ones and used to help teachers store their instructional materials since their classrooms have limited space. The bins will help teachers to keep classrooms orderly, uncluttered, and safe for students.

“We at The Discovery House feel it is most important to support our future generations with education and life skills” said McKay Whiting, Founder of The Discovery House

“As the new Principal at Bertrand Elementary School, it was a pleasant surprise to find out about the established relationship that our school has with the Discovery House. Through the generosity given, I knew that the Discovery House has a strong commitment to the students, staff and parents of Bertrand Elementary School and our surrounding community.”

The Discovery House offers residential and intensive outpatient drug and alcohol treatment. Accredited by the Joint Commission for Accreditation of Healthcare Organizations, The Discovery House offers a variety of treatment programs that allow each client to receive the individualized care they deserve. The rehab center works with other professionals and therapists to provide a full continuum of care.

about
